Neville/Blaise - The Greenhouse

Chapter Summary

@microficmay day 1 ‘create’
Neville/Blaise, 50 words, for @peachydreamxx
CW: recreational drug use

Neville stepped inside the greenhouse and froze.

“Sorry, errr —”

Blaise Zabini looked up, his eyes glassy, collar dishevelled, holding a joint between nimble fingers.

“You want some?”

Neville hesitated. “Erm, sure.”

Blaise caressed Neville’s jaw, dragging him closer. Bending down, he blew a cloud of smoke right into Neville’s mouth.

Demelza/Ginny - Victory

Chapter Summary

@microficmay day 2 ‘resplendent’
Demelza/Ginny, 50 words, for @sugareey-makes-stuff

Demelza was a Chaser. She was used to chasing, but none of her catches were as elusive as Ginny Weasley.

A gold flash here. A resplendent smile there.

Demelza dove, both of them toppling onto the grass.

“Congrats,” said Ginny, grinning. “You win.”

Demelza sealed her victory with a kiss.

Lavender/Ginny - Red

Chapter Summary

@microficmay day 3 ‘horizon’
Lavender/Ginny, 50 words, for Anon
CW: violence, murder

The horizon bleeds across the grounds, blinding and red.

A body lies at Ginny’s feet, barely breathing, barely moving.

She raises the Sword of Gryffindor, swings it down, piercing Greyback straight through his weakly beating heart.

“That’s for Lavender,” she says fiercely.

She twists, watching his chest flood with red.

Dobby/Ginny - Sharing

Chapter Summary

@microficmay day 4 ‘decision’
CoS Dobby/Ginny, 50 words, for Anon

Dobby is a free elf. Harry Potter said so.

The Burrow is his new home. Dobby decides he likes it.

Mistress Ginny is kind. She gives Dobby things — socks, bracelets, stickers. Sometimes, they share.

She reads in bed, and he braids her shiny hair.

Sometimes, they share the bed too.

Lavender/Hermione - The Map

Chapter Summary

@microficmay day 5 ‘dreams & reality’
Lavender/Hermione, 50 words, for @triggerlil

Sometimes, Hermione sneaks out of the tent with the map.

She watches the little dot wandering the castle — eating with Seamus, studying with Neville, dreaming next to Parvati.

She traces it gently, as if Lavender might feel it.

By the time Harry wakes, the map is tucked safely away again.

Harry/Salazar - The Key

Chapter Summary

@microficmay day 6 ‘flare’
Harry/Salazar, 50 words, for @namara-ashina

In the Chamber of Secrets, there is a door — large and ornate, silver snakes crisscrossing the frame.

Harry has finally found the key.

Pain flares where the dagger breaks the skin.

He holds his wrist against the lock.

A click. A hiss. The door opens. A man steps out.

“Finally.”

Firenze/Ron - Hung

Chapter Summary

@microficmay day 7 ‘innocuous’
Firenze/Groundskeeper!Ron, 50 words, for @apricitydays-lazynights
CW: centaur dick 😂

Ron hadn’t given it much thought.

Until.

Firenze stood a little too close during their daily check of the grounds.

Until.

Ron chanced an innocuous glance and noticed the (undeniably impressive) proof of Firenze’s interest in him.

Hung like a horse.

There really wasn’t any other way to put it.

Dean/George - Unexpected Flatmates

Chapter Summary

@microficmay day 8 ‘will’
DH Dean/George, 50 words, for @peachydreamxx

Dean emerged freshly showered wearing George’s spare shirt.

“Thanks for putting me up.”

“Any idea how long?”

Dean frowned. “Dunno. Until the Snatchers…”

George nodded, mesmerised by the droplets sliding down Dean’s neck. “We’re in the next room. Knock if you need.”

“Thanks, I will.”

George certainly hoped he would.

Sirius/Kingsley - Capture

Chapter Summary

@microficmay day 9 ‘agony’
Sirius/Auror!Kingsley, 50 words, for Anon

The street is littered with bodies, the shops torn to pieces. Sirius stands in the wreckage, back turned, shoulders shaking.

Kingsley thinks he’s crying. He’s only seen Sirius cry once — overstimulated and boneless, moaning between silk sheets.

He’s wrong.

Sirius is laughing. Agony and madness wrapped into one terrible sound.

Rolanda/Minerva - Foul Play

Chapter Summary

@microficmay day 10 ‘rise & fall’, Format Challenge
Students Rolanda/Minerva, 50 words, for @elvira-kamgut

“Hooch in possession! Here comes McGonagall with a Tornado Block! Wow, what a dive!... What's this? Did McGonagall just kiss her? Hooch seems a bit dazed… Coach, does this count as foul-play?... No, alright then. McGonagall sores high with the Quaffle. If she makes this goal, Gryffindor takes the lead…”

Remus/Draco - Love/Hate

Chapter Summary

@microficmay day 11 ‘curse’, A/An Challenge
Remus/Draco, 50 words, for @indigo-scarf
CW: sex

They fucked, half-clothed under the cover of darkness.

Draco cursed and clawed at the sheets, hating this desperate thing he’d become.

Remus gasped and gripped at bony hips, hating the guilt — he was too old, too broken.

“I can hear you thinking, old man.”

So posh. So young. So… “Good.”

Narcissa/Pomona - Buttercups

Chapter Summary

@microficmay day 12 ‘vivid’, @hp-flowers ‘buttercup’
Narcissa/Pomona, 50 words, for skywatcherrose

Malfoy Manor’s new gardener was not what Narcissa expected.

She was short.

She was always dirty, which should’ve been appalling but strangely wasn’t.

She was always smiling when Narcissa looked.

Pomona smiled at Narcissa through the window, vivid as the yellow buttercups in her hand.

Narcissa blushed and looked away.

Luna/Ginny - Golden

Chapter Summary

@microficmay day 13 ‘talisman’
Luna/Quidditch player!Ginny, 50 words, for @girl-with-goats

Ginny has a metal pendant, a beautiful golden bird. She brings it everywhere.

It hangs from her bag between matches, around her neck as she swoops and dives.

When she returns home, the bird stretches its wings, glimmering with candlelight, and takes flight.

Luna’s hand reaches out to meet it.

Sirius/Severus - Visitation

Chapter Summary

@microficmay day 14 ‘humility’
Established Sirius/Severus, 50 words, for @mundraken

The cell door clangs loudly behind Severus.

Sirius watches as he approaches.

Gaunt, weary, powerless. Humility looks good on him, unfortunately.

“A conjugal visit, really?” he rasps. The raspiness is good on him too, Severus realizes.

“Are you complaining?” Severus begins unbuttoning his robes.

Sirius cackles and beckons him closer.

Sirius/Luna - What's Lost

Chapter Summary

@microficmay day 15 ‘Nothing & everything’
Sirius/Unspeakable!Luna, 50 words, for @iammyownsaviour

Luna spends hours studying the veil, listening to the whispers, gently nudging the curtains open.

Farther and farther… inch by inch… a little bit more…

Nothing is ever lost, only waiting to be found.

Her hand disappears inside. Something — someone — latches on, holding her in an iron grip.

She pulls.

Bellatrix/Molly - Reunion

Chapter Summary

@microficmay day 16 ‘squabble’
OotP Bellatrix/Molly, 50 words, for @herochicklyrrie007

It’s Molly’s fault.

She shouldn’t have come. But Harry needed her, Sirius needed her.

Bellatrix yanks her against her breast, wand at her neck. Heat against heat, soft against hard. She drags her through the Ministry until they reach the Floo.

Bellatrix grins. “Dearest Molly, oh, how I’ve missed you.”

Alicia/Charlie - Good Girl

Chapter Summary

@microficmay day 17 ‘worthy’
Alicia/Charlie, 50 words, for @mischiefmandied
CW: dom/sub dynamics

“Have you been a good girl?”

Charlie’s thumb brushes across her lips, slick with saliva and trembling with want.

“Yes,” she gasps, shifting on the rough carpet. It burns her knees, but she dares not complain.

“Is that so? You think you’re worthy of my cock?”

Alicia keens. “Yes, sir.”

Amelia/Dolores - Sweet

Chapter Summary

@microficmay day 18 ‘healing’
OotP Amelia/Dolores, 50 words, for @mugsdontlie

Amelia Bones emerged from the rubble, stumbling, bleeding, long past healing.

“You should have let him kill you,” a voice said, high-pitched, girly.

“Dolores.” She wished she were more surprised. “Come to finish me off?”

“Don’t worry.” Dolores smiled sweetly. “I’ll make sure they know where to find the body.”

Draco/Harry - Tease

Chapter Summary

@microficmay day 19 ‘impatience’
Draco/Harry, 50 words, for @drarrymyheart
CW: smut

“Potter, come *on.* Just do it already.”

Potter, the godawful tease, continued rutting languidly, cock barely brushing Draco’s slicked hole.

“Hmmm… no, I’m not ready yet.”

“Who cares if you’re ready? *I’m* ready.”

“Will you beg?”

“Don’t be ridiculous —”

Potter stilled. Draco nearly wanted to scream with impatience.

“Potter, *please.”*

Arabella/Minerva - After the Trial

Chapter Summary

@microficmay day 20 ‘push & pull’
OotP Arabella/Minerva, 50 words, for @elvira-kamgut

Minerva rushed to the courtrooms, pushing aside scowling ministrymen.

“The verdict? What happened?”

“Dumbledore, he —”

“Of course, he did,” Minerva sighed. “That silly old man.” She grasped Arabella and pulled them briskly away. “But are you alright? I’m sorry I’m late.”

“I’m quite alright. May we leave now?”

“Yes, gladly.”

Tonks/Ginny - Training

Chapter Summary

@microficmay day 21 ‘unhand’
Auror!Tonks/Trainee!Ginny, 50 words, for @wilfriede

“Feel the weight of your wand. Hold it steady. Take your time.” An arm circled her waist, pulling her against a warm body, a head resting on her shoulder. “Focus on the target. Breathe. Relax.”

Tonks wrapped her hand around Ginny’s — strong, calloused.

“And cast.”

Ginny let the spell fly.

Cho/Parvati - Salty

Chapter Summary

@microficmay day 22 ‘precious’
Cho/Parvati, 50 words, for @siriusly-sapphic
CW: vaginal fingering

Cho is a crier; Parvati doesn’t mind.

She flicks her tongue, collecting every salty teardrop trailing down Cho’s cheeks. Like they’re delicious, like they’re precious.

“What are you doing?” Cho squirms. Parvati still has two fingers inside and another lazily circling her clit.

“Tasting you.” She licks up another tear.

Marlene/Lily - The Affair

Chapter Summary

@microficmay day 23 ‘mistake’
Marlene/Lily, 50 words, for @caitiespersonalhell
CW: infidelity

Footsteps. Approaching.

Lily pushed her off the bed. “It’s James. You need to go.”

Marlene fumbled with her clothes. She climbed out the window, hanging onto the ledge.

“When can I see you again?”

Lily pursed her lips, so Marlene darted up to kiss them.

“Soon,” she said. “Now go.”

Quirinus/Charlie - Albania, 1991

Chapter Summary

@microficmay alt 4 ‘warmth’, Format Challenge (journal)
PS Quirinus/Charlie, 50 words, for @apricitydays-lazynights

Entry #232
Dajti National Park, Albania

Intriguing. Some signs of Dark Magic use. Will research more tomorrow.

Ran into a former student while hiking. He offered to share accommodations, a warm bed, pleasant company. With my dwindling funds, I could not refuse.

Maybe I will stay a few more nights.

Druella/Minerva - Longing for you

Chapter Summary

@microficmay day 25 ‘day & night’, @hp-flowers 'camellia'
Druella/Minerva, 50 words, for @fiestylilmetalbendingqueen

When the grief becomes too strong, and the tears threaten to spill, she plants a flower on the edge of the Forbidden Forest.

Tonight, a yellow camellia.

She gently lowers it into the dirt, pats it down. By day, it will be indistinguishable from the others.

But Minerva always remembers.

Draco/Ron - How Inconsiderate

Chapter Summary

@microficmay day 26 ‘vex’
8th yr Draco/Ron, 50 words, for @the-houseryn
CW: blow job

“You are the most annoying —”

“Shhhh they’ll hear you.”

“— vexing —”

Ron gets Draco’s pants down, dropping to his knees in the broom closet.

“— inconsiderate —”

Ron takes him in his mouth.

“What was that, Malfoy?” Ron pulls off briefly, smirking.

Draco shakily cards his fingers through Ron’s hair. “N-nothing, carry on.”

Draco/Scabior - Delicate

Chapter Summary

@microficmay day 27 ‘dandy’
DH Draco/Scabior, 50 words, for @indigo-scarf

Malfoy Manor. Dragging his captures inside.

The boy is ugly, but the girl is sweet — pretty face, pretty mouth.

Scabior winks at young Draco, who scowls but blushes to the roots of his fair hair. He’s a sweet one too — dandy, delicate.

Maybe, this time, he’ll demand an extra reward.

Druella/Emmeline - Command

Chapter Summary

@microficmay day 28 ‘fetching’
Druella/bodyguard!Emmeline, 50 words, for @fiestylilmetalbendingqueen

“You, fetch me my robes.”

“I am your guard, not your servant, Mrs Black.”

Druella huffed, lounging in the armchair. “Pity,” she drawled. “You would make a lovely servant. On your knees, at my command.”

Her guard blushed furiously. That was interesting.

Druella spoke slower, more sultry. “Wouldn’t you agree?”

Sirius/Ron - Chess

Chapter Summary

@microficmay day 29 ‘thrall’, POV Challenge
Sirius/Ron, 50 words, for @caitiespersonalhell

I can’t stand the way he watches me.

Like every glance makes his heart freeze. Like every touch makes his blood boil.

Always studying, calculating.

A chess match where only he knows the rules.

Our hands brush across the board. A shiver runs up his spine.

I feel it too.

Hermione/Irma - Closing Time

Chapter Summary

@microficmay day 30 ‘first & last’
Professor!Hermione/Irma, 50 words, for @snarkygranger1-blog

Professor Granger is the last to leave, lingering in the library, hovering near the stacks.

Irma ignores her, reorganizing the shelves, marking the books.

Granger approaches her desk, leans closer, and closer still.

Close enough to touch, close enough to kiss.

Irma is the first to move, closing the distance.

Sir Cadogan/Ariana - Silent

Chapter Summary

@microficmay alt 2 ‘superfluous’
Sir Cadogan/Ariana, 50 words, for @emilyrickman

People believe Sir Cadogan is incapable of silence.

Silence, he’s learned, is reserved for respect, intimidation, or profound contemplation — indeed not superfluous encounters.

So, he is silent when he visits Ariana’s portrait.

He is silent as he kneels and she lays a tender hand upon his head, bestowing her blessing.

Greg/Draco - Runaway Groom

Chapter Summary

@microficmay alt 3 ‘idle’
Best man!Greg/Groom!Draco, 50 words, for @the-houseryn

“Let’s run away,” said Greg, idling in the doorway to the church. “We could go. Right now.”

“I can’t. Mother…”

“Wants you to be happy.”

“Father…”

“Screw him. He’s an arse.”

Draco sighed. “Astoria…”

“Already ran off with the bridesmaid.”

“What?”

Greg winked. “Why should she have all the fun?”
